Dear Dave Zablocki and Boy Scout Troop 1034:

We are so grateful to you that you chose Charing Cross for your clean-up project this year. And how serendipitous that it was on our annual neighborhood clean-up day!

The young men that shared their talents, strong backs, and cheerful attitudes were very much appreciated. It's clear that they embody the Scouting Oath to "help other people" and we were the fortunate recipients of their youthful energy. Thank you!

Please accept the enclosed \$75.00 donation for Troup 1034; we hope you'll treat the boys to pizza with our appreciation and gratitude.

Thank you,
Bloomfield Estates Improvement Association
