## BEIA Dues Collection

HOA dues (\$300/year) are billed annually to all homeowners and vacant lot owners; invoices were mailed last month. To our neighbors who are current, a heartfelt **THANK YOU!** For those who have not yet paid, we encourage you to do so to support our neighborhood.

A friendly reminder... if you are not current with your dues, you cannot vote at the annual meeting.

Thank you.

## Neighborhood Clean Up Activity

Thanks to all of the neighbors who came out on Saturday, April 26<sup>th</sup> to help keep our neighborhood beautiful. And a special thank you to our furry task-masters Toro and Molly.

## Considering Changes to Your Property?

With so many neighborhood projects underway, please remember to submit your plans to the BEIA for approval **before** they are submitted to the Township. Please review and abide by the requirements listed at:

## Talking Trash

If you are inclined to be generous with the people who solicit at the corner of Big Beaver and Woodward, please circle-back an hour later to pick up the garbage left behind. We collected 5 bags of (mostly) food trash and several bags of recycled debris left behind. This type of garbage is attracting animal attention, including rats and raccoons that will find their way into our neighborhood.

Bloomfield Township Open Storage Ordinance prohibits storing man-made items in public view including wheel barrows and garbage cans. The Noxious Weed Ordinance prohibits grass/weeds that reach a height of 8". Residents dumping lawn debris in public areas is not permitted. Township officials can authorize removal/bill against homeowners property tax.

## BEIA Board Members

Board members volunteer their time for a three-year term. Many of the existing board members have remained on the board, but in different positions for many years.

If you are interested in serving in this capacity, we welcome your involvement! Please contact a board member:
